Suffolk High School
Suffolk, Virginia
1963

Dear Students,

It is our pleasure to invite you, the students, to tour our Alma Mater, recapturing the activities and events that have made 1963 a year that will live in fond memories.

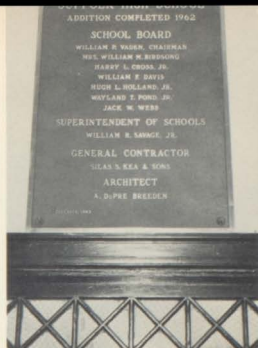

On September 25, 1962, the School Board of the City of Suffolk and the Administration and Staff of Suffolk High School held open house and dedication ceremonies of the new addition to the high school building.

We at Suffolk High School are so pleased with our new surroundings and appreciate very deeply the thought, planning, and effort of the people of Suffolk that made our new addition possible. We do hope that you will accept our invitation to share with us the pride we feel in a building that reflects so well a cooperative community effort.

Sincerely yours,

Nancy Cross

Office Staff

Busy at work are Judy Johnson, Mrs. Eddy, Miss Basler, and Mrs. Norfleet.

Work will never end for Mr. Jones.

The office staff is composed of Mrs. Fred S. Norfleet, Miss Judy Johnson, Mrs. William N. Eddy, and Miss Mamie Basler.

Throughout the year Moody, Tom, and Henry have carried out their janitorial duties faithfully and conscientiously.

Behind The Scenes

From selling concessions at football games to maintaining both the old and new facilities at school, Mr. Jack Jones has always been ever-mindful of his job . . . first to arrive and last to leave.

We
thank
each for
his
contribution.

Mrs. Duke and Mrs. Watkins have cheerfully and expertly seen that delicious meals were prepared in the cafeteria.

Mr. Furr dutifully performed the many tasks connected with the audio-visual program.

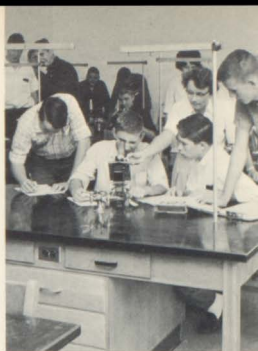

Literally sneaking behind the scenes, Mr. Jones enjoys **another** cup of coffee.

Adding to the cheerfulness of our new, enlarged library, Mrs. Dixon has been a most efficient librarian.

The senior year is the first and last time. A step into adulthood, a glance into the past, ahead is real maturity, behind—a memory of youth. Life as a senior begins with a class ring, a new year, and the title of “upperclassman.” The treasured memories of a senior year are many . . . selling concessions at the football games, the P-Nut Bowl, the New York trip, Senior Day, all become recollections of a wonderful year. The friendships will remain long after friends part. The last time the class stands together each senior receives his diploma and bids farewell to the school that will remain forever in each one’s heart.

The halls of S.H.S. echo the excited questions of each and every junior . . .

“Will our class rings ever get here?”

Oh, please somebody buy a football program.

How in the world are we going to get that nine foot stork out of the garage?

Will somebody please buy this popcorn?

Will we ever finish decorating for the Junior-senior?

“Isn’t this the greatest year yet?”

In the sophomore year, we begin to accept new responsibilities and to meet the standards set before us. We experience the feeling of really belonging to the school, an emotion which grows each year. High school is no longer just an institution of learning, but the home of our class, our teams, and our friends.

First year in S.H.S., now we’re really big! All the games, dances, studying, new faces and old pals make that fabulous freshman year one of the best!

Dances, homework, wins, losses, friends, halls, teachers, club meetings, rehearsals—all these and one thousand other things make up the activities of Suffolk High School.

Together with these numerous activities is a deep feeling of pride in our school and all that it symbolizes; this feeling radiates from each and every student.

In learning to get along with others, to take responsibilities and to build leadership, we may discover where our talents and destinies lie.

Through the ability of those who lead and the interest of those who participate, the students of Suffolk High School have fulfilled their needs through activities.

Activities

Student Senate

The Student Senate's main objective has been "to make this year 1962-63 the best year yet." Through school projects such as "We Support the Raiders Week" and community services, the Student Senate of Suffolk High School has endeavored to instill in each student a pride in his school.

Honor Council

For the year 1962-63 the Honor Council of Suffolk High School experienced a change. Secret council members circulating among the classes, worked with the faculty and the offenders to carry out the principles of the Honor Code. Having been elected by the student body, Andy Dunn served as president of this council.

President Andy Dunn

The Honor Society this year underwent a period of reformation, and as a result many programs were carried out in the promotion of service, leadership, character, and scholarship. Scholarship Week was proclaimed by the Honor Society, and during this week posters, daily devotions, and personal letters with identifying tags for honor roll students were used to encourage a stronger interest in scholarship. The Honor Society also encouraged stricter study hall regulations and gave full support to any faculty actions toward the improvement of study hall conditions. An induction assembly was presented to the student body at the beginning of the second semester. Letters of encouragement were sent to all students before both first and second semester examinations. The Honor Society's throughout the year was to promote service, leadership, character, and scholarship.

Throughout this period preparations were under way for the Hi-Y conference held here in early December. Following the conference, a successful stationery sale was held. With the start of a new year, the club promoted a clothes drive for children in the frozen mountain region of the Appalachians. As spring approached, delegates were elected to attend the Model General Assembly in Richmond. With June finally here and new officers elected the club concluded its activities for the school year 1962-63.

With the start of a new school year, the Latin Society has participated in various projects to be of benefit to both the school and our club. Together with the French and Spanish clubs we entered a float entitled **Foreign Lands** in the P-Nut Bowl parade. For the second time the three language clubs worked together. This time we presented a Christmas assembly for the student body. The Latin Club read the Latin version of the Christmas story and sang carols in Latin. As one of our projects, the Latin Club decided upon donating books to the school library. Another of our projects was the celebration of Latin Week in the spring. One of the highlights of the year was the foreign language banquet. The Latin Society has tried to plan its programs and projects for the year with the aim in creating interest in the study of Latin.

The main objective set forth by the Spanish Club this year has been to create Spanish culture and influence in Suffolk High School. For the first time, the Spanish Club drew up a formal constitution which went into effect in January. For the Christmas assembly, the Spanish Club presented Christmas in Spanish-speaking countries. The annual Spanish Christmas party held on December 17 proved to be quite a merry affair. Throughout the year, the Spanish clubbers enjoyed frequent visits and talks by several authorities on Spanish culture. Later in the year the club held a banquet at which time, primarily Spanish food was served.

The French Club has been trying to promote an interest in French culture in Suffolk High School. Along with the other language clubs, the French Club entered a float in the Peanut Bowl Parade. The theme was "Foreign Lands" carried out by a globe and three inhabitants of France, Spain, and Italy. A Christmas party was held in the cafeteria where carols were learned. In the Christmas assembly the group sang carols while a French Christmas scene was portrayed on stage. A native of France came to speak to the club on French culture. Ending the year, the club participated in a successful language club banquet.

The Future Teachers of America have been considerably busy this year. The club composed of twenty-five adopted a new system of teaching. It was decided that each girl would be given one class at Thomas Jefferson Elementary School. Once a week for the entire year each future teacher taught her class. It was hoped that each girl would learn the responsibilities and rewards of working with children. The girls were expected to learn and put into practice the various teaching techniques.

The Distributive Education Club has participated in several activities this year. It began with the initial money-making project, a dance at the Coca-Cola Plant in October. Club activities slackened during the Christmas season, but immediately following the rush the club began preparing for participation in the district and state club contests. Suffolk entered the Merchandise Presentation, Professional Selling, Ad Layout and Copywriting, Window Display Judging, and Sales Demonstration Judging Contests.

In early March another dance was held. The club closed activity with its annual Employer-Employee Awards Banquet.

Look out, Big Boy, I'm coming through . . . and Hawkins goes for a touchdown.

Jimmy anxiously paces the sidelines. Even though his ankle's injured he's in on every play.

Coach Cain gives David Sweat last minute instructions.

The spirits of S.H.S. were riding high this past 1962 football season. The enthusiasm of the team backed by that of the student body accounted for the never-ending fight that the Raiders displayed. Among the outstanding players representing our team were Jimmy Hill, Buster Hawkins, David Sweat, Lewis White, Ted Lawson, Ernie Stephenson, and Robert Bryant.

It didn't take the Raiders long to get rolling

on the road to victory. Sparked by Jimmy Hill's superb ball-carrying and David Sweat's excellent defense, the Raiders defeated the Granby Comets on their own home field.

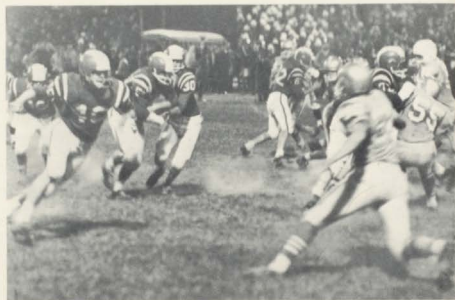

Suffolk was then hit by a series of injuries that has never been equaled in the school's history. Handicapped by these injuries, nevertheless, the fighting spirit prevailed through the season.

Practice was long and hard

Raiders' strength, Sweat, Lawson, and White, storm through the line.

Red Raiders Top Hampton

SUFFOLK — Suffolk rewarded the largest crowd in its basketball history with a 53-42 triumph over favored Hampton Friday night.

The gathering of more than 1,000 spectators saw the Raiders surprise the Peninsula team with a zone defense and snap the Crabbers' conference winning streak at six. Both teams have 6-5 rec-

ords in the Eastern District race for tournament positions.

Switching from the usual man for man patterns, Bill Peachy used a 1-3-1 zone and collapsed the defense around 6-7 Warren Chapman, the Hampton center. The Raiders broke out of a 19-19 halftime deadlock with 18 points in the third quarter.

All five Suffolk starters played extremely well as the Raiders made it two upsets in a row. They had beaten Wilson here on Tuesday.

Billy Hill grabbed 17 rebounds to match Chapman and Andy Dunn made eight field goals to match the big Hampton center in scoring with 16 points. Hill had 13 points, Judd Barrett and Sandy Tucker nine each.

Suffolk has won eight of the nine games played at home.

Eastern District Lead Held

Raiders Beat Wilson

Managers: Eley Duke and Chris Sherad. Missing from picture is Pete King.

At Suffolk Wednesday the luncheon menu for the basketball team was steak, Art Jones's reward to Bill Peachy and his Raiders for beating Wilson. . . . Last year the same fare followed, Suffolk's first win over the Portsmouth school. . . . "I read in the paper that Wilson was missing a starter," Jones says. "Well, we had Buster Hawkins in bed with the flu and with their enrollment they should have had less trouble replacing a man." . . . Actually the three players Jack Ryder tried in Dick Esleek's place failed to score and Ben Womble made eight points as Hawkins' sub. . . .

Suffolk Tops Wilson in 45-43 Upset

SUFFOLK — Suffolk upset Wilson, 45-43, Tuesday night in an Eastern District basketball game with the help of a goal tending decision against the Presidents in the final period. The loss snapped a seven-game Wilson winning streak.

Sandy Tucker was awarded two points on the goal tending ruling and turned it into a three-point play by sinking a free throw. Tucker's points eventually proved to be the difference in this close battle, a tight defensive contest all the way.

Wilson played without its star

sophomore guard, Dick Esleek who is undergoing a physical examination at Duke Hospital.

The defeat knocked Wilson of a second place tie in the district race and left the Presidents with a 6-4 conference record and overall.

TUCKER SCORES 19

Tucker was the game's leading scorer with 19 points and Andy Dunn hit for 12. Larry Schmitt had 14 and Larry Davis 12 for Wilson.

The Raiders evened their district record at 5-5 and started

Sandy Tucker scored 16 points. Billy Hill 15 and Andy Dunn 11.

Features

The **Peanut** staff invites you, the students of Suffolk High School, to tour with us the year 1962-63. Stop for a moment to recall all the events and happenings that have made this year one to be long remembered.

Senior Day, 1962—Juniors turn to seniors . . . and seniors disappear. Class of '63 officially born.

Early spring, 1962—Jr.-Sr. plans are well under way.

The big night arrived. The class president's namesake reigns over the prom.

"Water, water everywhere and all the boards did buckle."

Summer, 1962—"Hey, these students are really lucky . . . cushioned auditorium seats."

Coaches Watkins, Hollingsworth and Futrell change from teaching to moving. Was this in their contract?

Mrs. Burton wipes the dust off her books, she is in her new office now.

Our foreign language teachers Mrs. Underwood, Miss Brinkley, and Mrs. Morris were taught new tricks with the new lab.

Sept. 4, 1962—S.H.S. opens with a new look but the same true spirit.

Soon classes began . . . gosh some were in new rooms.

Oh so many books! But how the seniors enjoyed their brand-new full-length lockers!!!

"When those Suffolk Raiders fall in line" sing our Key Club "cheerleaders".

Raider football well under way.

Sandy makes like a moose for Key Club initiation.

Mike grumbles, "I'd do **anything** for the Key Club."

Could Larry have been the moose Sandy was calling?

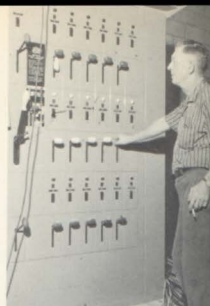

It's almost time for the sign to come down . . .

New driveway nearly finished? Check!!!!

Stage ready? Check !!!!!!!

Is our library ready for inspection? Check!!!!

Are all the classrooms straight? Check!!!!!!

September 25, 1962—Dedication of the **NEW** additions to the school—

During dedication ceremonies parents entertained themselves in the language laboratories.

Mr. Griffin and Mr. Kelly our new library, reigned over by Mr. Chase' portrait.

Parents will be parents . . . an inspection of the teacher's lounge was pertinent.

After the big night everything got back to normal, even at the cafeteria.

Mr. Mesite directs the band back into the swing of things.

Claire is advised by Jim's "helpful" suggestions while painting signs for football.

"We support the Raiders Week" urged the Raiders on to "fight" for a win.

And this is Creative Writing class . . . Seniors bagging peanuts.

Seventeenth Annual

Princess Linda Anne Harrell

Queen Andree Gay Rice

Princess Mary Louise Byrd

One of the biggest features of the year at S.H.S. is the Peanut Bowl. Reigning over the event for 1962 was Miss Gay Rice and her princesses Miss Linda Harrell and Miss Mary Louise Byrd. These girls were selected by the varsity football squad from ten senior girls nominated by the Class of '63. Peanut Bowl Week is traditionally the hectic but rewarding week when all the classes decorate floats for competition in the Peanut Bowl parade.

Senior Class Float—"Countdown to Success"

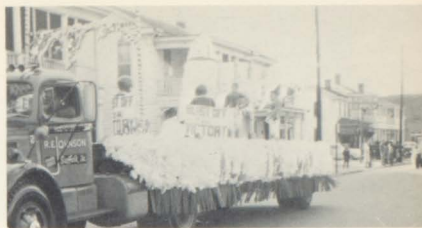

Junior Class Float—"Expecting a Victory"

Peanut Bowl

Sophomore Class Float

Freshman Class Float

First Prize Float—"Skunk Ferguson"
J.V. Cheerleaders

Queen Gay reigns majestically over the entire parade.

A radiant queen is crowned by Superintendent of Suffolk City Schools, Mr. W. R. Savage, Jr.

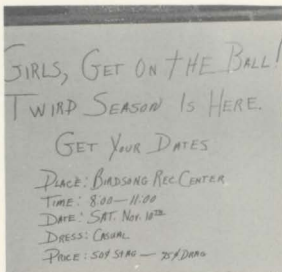

Plans are made for the district Hi-Y Conference. District President Hubie Young meets with S.H.S. Hi-Y heads.

Committees from the entire district meet at S.H.S., the place for the December 8 Conference.

Wouldn't you know it? Andy Dunn and Betty White, our winners of "Clash with Great Bridge Day".

The girls got theirs at this swinging dance.

Long, hard hours were put into play rehearsal.

What could every junior be heard saying? "Plllllllease buy some wrapping paper . . . It's for our Jr.-Sr."

Sleigh bells ring in band rehearsal for the Christmas Concert.

Sandy, Andy, Hubie, and Dickie, Key Club members, collect toys for tots.

December 7—Betty and Gail go over their lines one more time before the curtain rises. The play, "The Importance of Being Earnest."

The Raiderettes begin practice. Jean tosses one in.

Betty Everett and Sally Smith handled all sales in the bookstore throughout the year.

December 8—District Hi-Y Conference is held at S.H.S.

Mr. Peachy watches his team during the first week of practice.

There was a warm, merry Christmas at S.H.S.

Let's all see...

DEC 12 "CAPTAINS COURAGEOUS"
 JAN 9 "DAVID COPPERFIELD"
 FEB 15 "PRIDE AND PREJUDICE"
 MAR 15 "LITTLE WOMEN"

PALACE THEATRE
 2:30 PM .50

A new feature was added to the English courses this year . . . genuine movies of parallel reading.

Enough could never be said of the magnificent school spirit the students have captured for the year 1962-63.

Jan. 2, 1963—For the first time, the National Honor Society held induction of all its members in a scheduled assembly.

Pep Clubbers and the cheerleaders worked hard to keep the pep and spirit the "mightiest".

The four Champs from Carnegie Hall entertained us at the Valentine assembly.

All State Band Members, congratulations! J. Miles, S. E. Johnson, D. Churn, L. Marr, B. Weaver, M. Weintrob, A. Rogers, W. Holton, L. Bullock.

When the students of Suffolk High School rush through the big oak doors on June 5, exams over, and worries flown away, few will stop to notice this hallowed seal hanging in the front hall. For the seniors who do, it will be for the last time—next year a new class will take their place. For them and their successors awaits a world of hard work and reward, worries and all the happiness that high school life can bring . . . and that only a senior can explain. The Class of 1963 has loved their school and strived to uphold her traditions. They are proud to be her sons . . . Suffolk High School will live in each and every heart forever.

Suffolk Forever

Suffolk forever, her fame shall never die!

Fight for her colors; we'll raise them to the sky.

Each loyal son pledges her his heart and hand,

For her, united, we as brothers stand.
